SOMEONE ALWAYS NEEDS
GREAT MEXICAN FOOD.

The Original prides itself on beginning each morning with the freshest of quality ingredients which includes 90% lean meat and real Wisconsin cheese. We chop top quality fresh vegetables every morning which simmer with a special blend of spices to create our sauces. We are not a fast-food restaurant and your entree is prepared at the time it is ordered to ensure freshness. We take no shortcuts in providing a healthier approach to eating by cooking with skinless chicken, olive oil and 100% cholesterol free oil for frying our chips, and our ranchero beans, refried beans and tamales are cooked without fat. We think you will notice the difference and we hope you enjoy your meal.

The Original began in 1916 with Raymond Guzman as the first of only five proprietors in its over 96 year existence. We are still family owned and operated and have continued our tradition of quality and excellence in the preparation of all our food.
